

State Bar of California Membership Fees Information

Membership Fees: All members, active or inactive, pay annual membership fees. Your first year's fees will be based on your *date of admission*, which is the date upon which you take your oath. A 2010 Fee Statement will be sent to you within 30 days of enrollment. Your future annual Fee Statements will be sent to your address of record in December of each year for the following year's annual fees. Penalties are assessed if fees are not timely paid. To keep your address current, you may change your address on-line after setting up My State Bar Profile (the access code will be printed on the upper right corner of your fee statement).

If you take your oath on:

then your 2010 membership fees will be:

January 1 – May 31, 2010

2010 Full-year Active Fees of \$410.00

June 1 - November 30, 2010

2010 Half-year Active Fees of \$205.00

December 1 - December 31, 2010

2010 Active Fees Waived

A Fee Statement will be issued within 30 days of your admission. Fee Statements issued December 1, 2010, or later, will also include 2011 Active Membership Fees. Fees are due within 45 days of invoice. Late penalties will be assessed on the 46th day. Please refer to the actual Fee Statement packet for detailed deadline and penalty information.

Bar Numbers and Membership Cards: Within approximately two weeks of the State Bar's receipt of your completed Registration Card, your membership information, including your state bar number, will be available on the Attorney Search section of the State Bar's website. Bar Membership cards will be mailed within two weeks of receipt of your membership fees payment.

Status or Class of Membership: There are two classes of membership, active and inactive. New members are enrolled as active members and must pay active fees for the calendar year in which they are admitted. However, if a new member is admitted in the month of December, that year's fees are waived, and the member will be billed active fees beginning in January of the next year. (See above). Transferring to inactive status is a serious step requiring the completion of a specific form, which is available on-line. Questions regarding the inactive status should be asked prior to taking the oath. Complete information, including Active and Inactive forms, can be found on the State Bar's website.
